LatinX in NLP at NAACL 2024

LatinX in NLP (LXNLP) is hosting a workshop to connect LatinX identifying AI Researchers and Engineers around the North American Chapter of the Association for Computational Linguistics (NAACL) taking place June 16th, 2024.

We welcome extended abstracts that may introduce new theories, methodologies, or applications of NLP. We also welcome position papers and demos. Work may be previously published, completed, or ongoing.

[Learn more](#)

LatinX in AI at CVPR 2024

This is an official LatinX in AI (LXAI) organization workshop, known as LatinX in Computer Vision (LXCV) at CVPR, which will be hosted on June 18th, 2024 at the Seattle Convention Center.

The workshop is a one-day event with invited speakers, oral presentations, and posters. The event brings faculty, graduate students, research scientists, and engineers together to connect and exchange ideas. There will be a panel discussion and a mentoring session to talk about current research trends and career choices in computer vision.

LATINX IN AI (LXAI) PODCAST

Introducing a new LatinX in AI (LXAI) Video Series highlighting AI research Institutes and startups in Latin America and led by LatinX leaders around the globe!

Interview with PhD Benjamin Sanchez-Lengeling, Research Scientist from the team at Google DeepMind.

Learn More about Benjamin: <https://www.linkedin.com/in/benjamin-sanchez-lengeling-6879a68a/>

Learn More about Clubes de Ciencia México: <https://clubesdeciencia.mx/>

Clubes de Ciencia México (CdeCMx) is a non-profit organization led by scientists in Latin America and the US with the mission of increasing the access to the highest quality science education. In CdeCMx we have created a program that combines in-person and digital learning, with the following aim: to provide students with the skills necessary for the onset of a scientific career and to inspire the future

generation of young researchers and innovators supported by prestigious international mentoring networks.

Great news, our podcast is now available on all podcasting sites for audio versions, listen to the first published episode.

EXCITING NEWS!

We are accepting rolling applications for mentees and mentors.

👤 Call for Mentors: Experienced professionals, share your wisdom! Become a mentor by [<https://buff.ly/3bjuJCY>] and guide aspiring minds in the AI community. Your support matters!

👤 Call for Mentees: Ready to learn and grow? Apply as a mentee by [<https://buff.ly/3dmsaTe>] to connect with established experts and shape your AI journey.

Call for Researchers!

We invite dedicated researchers in the field of AI to join the Journal of LatinX in AI Research Editorial Board.

If you are passionate about advancing AI knowledge, fostering diversity, and contributing to impactful research, we welcome your expertise.

Join us in shaping the future of AI research and promoting inclusivity in the field.

Apply now to be a part of our JLXAIR Editorial Board!

Apply now!

Journal of LatinX in AI Research Call for Papers!

We strongly encourage researchers who primarily identify as LatinX in all areas of Artificial Intelligence and Machine Learning to submit a paper describing new research. We welcome paper submissions in theory, methodology, and applications.

The poster features a dark background with a central image of a person with glasses and a beard, wearing a black shirt, sitting at a desk with two computer monitors. The person is looking at the screens, which display code and data. The text 'CALL FOR SUBMISSIONS' is written in large, white, bold, sans-serif capital letters on the left side of the image. In the top left corner, there is a blue circular icon with a globe and the text 'SUBMIT NOW!'. In the top right corner, the text 'Journal of LatinX in AI Research' is written in white, followed by 'OPEN FOR ROLLING SUBMISSIONS' and 'NOW ACCEPTING FULL PAPERS' in bold white capital letters. A QR code is located to the left of this text. In the bottom right corner, there is another blue circular icon with a globe and the text 'SUBMIT NOW!'. The LXAI logo is in the top right corner of the image area. The website 'research.latinxinai.org' is at the bottom right.
